Each cast will perform TWO TIMES EACH (Show A & Show B).

Each cast performs the same set of dances two times back-to-back.

They will do their class dance(s) and then perform in the Finale with everyone in that cast once... and then do it all again! We have them perform for 2 audiences to hopefully allow enough tickets for each family. The ONLY exception is that for our very youngest classes, they will be in SHOW B (second show) and perform for that specific cast and audience ONLY!

Each show will run approximately 1 hour.

\*Note: Some dancers are in several casts.
